Formulation: Oleoresin Capsicum (OC) combined with a ***Non-Flammable carrier***. Guardian Protective Devices™ sprays are safe for use with Electro Muscular Disruption (EMD) technology, such as Taser™. UV dye added for easy identification, putting the subject at the scene of incidence.

OC + CS blends are available, custom blends upon request to meet your department requirements.

Safety: The Flip-Top has a protective, spring-loaded, plastic safety cover. The integrated safety cover prevents accidental discharge and conveniently moves out of the way for unobstructed access to the actuator when used.

Labeling: All canister labels are wearing water-resistant and contain the following data:
• Individualized Serial Numbers   • Active Ingredient   • Date of Manufacture   • Date of Expiration
• Lot / Batch Number   • Stock Number   • Decontamination Instructions

Packaging: Department of Transportation (DOT) approved commercial packaging.

Made in the USA.
D.O.D. approved facility.
